Equine activities include inherent risks of which you should be aware.
They are as follows:

A) The propensity of an equine to behave in ways that may result in injury, death or loss to persons on or around equine;
B) The unpredictability of an equine's reaction to sounds, sudden movement, unfamiliar objects, persons or other animals;
C) Hazards, including but not limited to, surface or subsurface conditions;
D) A collision with another equine, another animal, person or an object;
E) The potential of an equine activity participant to act in a negligent manner that may contribute to injury, death or loss to the person of the participant or to other persons; including but not limited to, failing to maintain control over an animal or failing to act within the ability of the participant.

I have been made aware of these inherent risks and agree that the Brownsburg Ruritan Club, Inc. officials, staff, Landowners and vendors will not be held responsible for any claims resulting to horse or persons involved.

Upon these conditions, I enter the horse listed above.
